

The background is a festive collage of holiday-themed items. In the top left, there's a large gold star with a tinsel-like texture. Below it, a pair of white scissors is partially visible. To the right, a champagne glass is shown with a cork popping out, surrounded by a spray of gold confetti. In the bottom left, there are gold tinsel garlands. On the right side, a small gift box wrapped in white paper with black polka dots is tied with a gold ribbon. The entire scene is set against a light, textured background.
